Times - Gazette.

VOL. LIV. No. 2. REDWOOD CITY, CALIFORNIA, SATURDAY, APRIL 7, 1923. ESTABLISHED 1859

MASONS WILL DEDICATE NEW HALL THURSDAY

Redwood City Lodge Will Occupy New Home April 12th

Next Thursday will be a big day in local Masonic history. For nearly sixty years the Mason ic fraternity has talked of owning its own home. For the past three years the present membership has planned toward securing quarters that would be adequate and suitable; next Thursday the plans will be realized. Two years ago the building committee of Redwood City Lodge, consisting of M. A. Harris, R. F. Chilcott, George W. McNulty and Otis M. Carrington, proposed that the Alhambra Theater property be purchased and remodeled. An exceptionally tempting offer was made the lodge by the owners, so it was decided to take up the proposition.

The property was purchased and J. R. Miller, the San Francisco architect, who belongs to Redwood City Lodge, prepared plans for the new home. Ben Zimmerman, a past master of the lodge, was awarded the contract for the job.

Not even those who were most sanguine pictured so fine a lodge room and all that goes to make it a real lodge home. The finished hall is the largest on the peninsula. It is 48 by 62 feet and its furnishings make it a pleasure to behold. In the rear is a dining room 48 by 48 feet with a splendidly equipped kitchen 18 by 12 feet. In the front of the building are splendidly appointed preparation rooms with every modern convenience. On the third floor there is a comfortable clubroom which will be for the exclusive use of the local members.

The front of the building is not yet finished. It will be of stucco cement and will be tinted a pale rose color.

The dedication will be under the direction of Hon. William A. Sherman, grand master of Masons of the state of California, and other members of the rand lodge. Hon. John L. McNab and Senator Samuel M. Shortridge will make addresses and a banquet will end the pleasures of the evening. All of the lodges in this Masonic district have been invited to participate and it is safe to say that a record crowd will be present to help Redwood City Lodge dedicate its new home.

Serves 'Em Hot as Usual

Jim Logan, who was a terror on speedsters while he was a motor cop, is again holding up traffic. But Jimmy is doing it in another way now. He has opened up a hot dog place on the highway south of town. He has fixed things up so artistically that he is attracting any number of motorists who are spreading the glad tidings of Jim's reformation and it is a safe bet that "Jim's Hot Dog Place" will soon be noted far and wide for its hospitality and good eats.

BILL OPENING WAY TO BUILD OVER BAY FAVORED

A bill by Senator M. B. Johnson of San Mateo county to amend the law to open the way for a bridge to be built across the San Francisco bay was reported out today with recommendation that it be passed.

Laurence Vestel, son of Mr. and Mrs. James Vestel, returned Monday from a year's tour of the United States, which took him through nearly every state in the Union. He visited all the big cities in the east and spent several months in the southern states.

Some Clothes Line

Represent hours of tiresome toil and wsted energy. But they ought'nt to!

A small deposit will bring a Blue Bird electric clothes washer to any home.

Convenient monthly payments may be arranged if desired.

City Returns to Diagonal Parking

After trying out the parallel system of parking for over six months it was finally decided by the board of trustees to revert to the former system of diagonal parking on Main and Broadway. The objection to the parallel system was found to be that each car occupied about twice the room necessary for parking the same car diagonally. This resulted in the streets being lined with cars most of the time, thus making it difficult at most times to find room to park a car in the bhsiness part of town. The merchants of the town objected to this sithation, as they claimed that customers would buy from them if they could find room to leave their cars and were going elsewhere because of the difficulty of parking. It was also argued that sometimes cars stood two deep on the streets and caused blocking of traffic.

The trustees referred the matter of parking space to Superintendent of Streets Dearborn and City Engineer Dimmitt, to determine the best angle for parking diagonally. It is thought that an angle of 30 degrees will be adopted instead of 45 as under the old system. The lesser angle will allow more room in the middle of the street for traffic.

EAST SIDE HIGHWAY TO BE BUILT SOON

Harvey Toy, chairman of the state highway commisison, at the Commonwealth Club dinner in San Francisco the other day, declared that work in extending both sides of the highway down the peninsula would be started at once. He also made the welcome statement that work on the east side highway would be inaugurated very soon. San Francisco and the state are to defray all the cost of constructing the highway. It is sorely needed. The congestion on the present highway is so tense that motorists find it almost impossible to travel down the peninsula. These improvements will be welcomed by San Mateo county.

ORGANIZATIONS ENTHUSIASTIC OVER PENINSULA FAIR

San Francisco's big civic and commercial organizations are rapidly falling in line to co-operate in staging the Peninsula Pageant of Progress May 26 to June at San Carlos for the purpose of visually demonstrating the advantages, natural and man-made, of the counties of San Francisco, San Mateo and Santa Clara. The San Francisco Chamber of Commerce is actively interested in the project and the Down Town Association has given its hearty endorsement.

One of the special features under rehearsal at the present time is an elaborate depiction of life in California which is to show three stages of its development. Hundreds of men and women from San Francisco to San Jose are being recruited to take part in this historical display, the first episode of which will depict the days when the aboriginal Indian held sway. Then will come the colorful days of the Spaniards, to be followed by the twentieth century period with all its up to date marvel of science and so on.

With the nation wide advertising of the state being done by Californians, Inc., the organiers of the Peninsula Fair Associatfon, which has underwritten and is producing the Peninsula Pageant of Progress, the project in view will tend to draw attention specifically to the peninsula district and serve as an occasion to bring together a visual idea of the many advantages for residence in this locility. Hundreds of exhibits from all sections of the state will be on view in a monster ten 1,000 feet long. Temporary offices have been secured at San Francisco at 50 Hayes street, where applications for exhibit space may be made by residents of San Francisco county. Another temporary office for the convenience of peninsula dwellers has been established at Redwood City. Among the sections devoted to exhibits will be automobiles, horticulture, agriculture, live stock, science, the arts, educational and historical features as well as domestic science and allied activities.

Mrs. Jane Amundsen, director of the educational department of the state fair, will be in charge of the later department.

The Misses Julia Elizabeth and Nan McDonnell were in Portola last week renewing old acquaintances. Their father, James McDonnell, who was for a number of years superintendent of the McDonough ranch at Portola and handled a number of the finest horses ever bred in the United Sttes, has been given the superintendency of the new race track at Tanforan.

The joy of living is wholly the joy of giving

REDWOOD'S FIRST BELL LOANED TO SAN CARLOS

Redwood's oldest bell, fire bell No. 1, has been temporarily loaned to San Carlos during the formation of the San Carlos fire district. This old bell has a history intimately connected with the early records of the town. It was purchased by the fire company shortly after its institution in September, 1861. The first fire house of the old hose company was on the lower end of Main street near the present site of the big electric tower. Later the old fire house was moved across Main street and lower down toward the bay and finally was moved for the third time to the location it occupied to within the last few years on Main street near the old Redwood Hotel building. Until the completion of the present city hall the old fire house served also as the town hall an alarm in case of fires, and to call citizens to town meetings as well as an alarm in cas of fires, and to call the firemen to their regular meetings. Although superseded long ago as a fire alarm by the steam whistle of the Frank tannery, the old bell has served its original purpose on a few occasions within the last decade when the whistle was impractical.

As the town grew, two other bells were added when hose companies Nos. 2 and 3 formed, one of these bells now being used by the Woodside school and the other by the school at Runnymede. But the original old bell has found a soft spot in the hearts of the fire department and the members refused to part with it.

Concerning the formation of the old fire company the Gazette of September 14, 1861, says:

"A fire company was finally oranized at the courtroom on Monday evening last. Thirty members were enrolled, a constitution adopted and the following officers chosen: Foreman, W. C. Gray; first assistant, W. H. Shreve; second assistant, C. A. Perkins; secretary, John Ames; treasurer, J. W. Ackerson. The organization is designated as Redwood City Fire Company No. 1, and holds its regular meetings on the first Monday of every month at 7 o'clock p.m."

ANDREW PETERSON IS CALLED BY DEATH

Andrew Petesron, well known all over the county, where he had labored for many years as a teamster and farm hand, passed way last Sunday at Santa Clara. Peterson was formerly employed at the National Magnesia Manufacturing Company's plant here. He was a native of Sweden and 49 years of age.

The funeral was conducted at the parlors of Layng & Tinney last Monday, the service being in charge of Rev. Clayton E. Peck of the Methodist Episcopal chhrch. Interment was in Union cemetery.

HOLDUP AT LA HONDA

The sheriff's office and the Redwood City police force were both called out last Thursday night by a call from the Peek-a-boo Tavern at La Honda. According to the call the tavern had been held up by two masked men, who had succeeded in taking $100 in cash and a punch board containing about $100. Following the robbery the men jumped into a machine in which a third man was waiting and drove rapidly away. A machine which is thought to have been the same one, and is said to be a Hudson, drove into Redwod from the Woodside road expecting to turn down the highway, but the speed was too great to make the turn, so the car turned into Main street and reached the highway by coming through town.

RETURNS FROM GERMANY

Henry Hobbie, who has been visiting his old home in Germany for the last few months, returned last Thursday and is busy telling his many friends of his experiences in the fatherland. Hobbie tells many interesting accounts of the unstable conditions of the money market in Germany and of fluctuating values of all articles of merchandise. Everybody is working hard, he says, but the returns on labor are so low and the money is so unstable that people are getting very disgusted. The difference in the position occupied by the different classes in Europe is especially marked. Hobbie says he is glad to have visited his old home, but is more glad to return to the United States. He says that the people here don't appreciate what they have until they go away to some other country. Hobbie is back at his old place at the Southern Pecific ticket window and his many friends will be glad to see his smiling face once more as they buy their tickets for the 5:15.

Mr. and Mrs. Charles Agrotti have moved into their pretty new home which they have just compete at the corner of Marshall and Warren streets.

A marriage license was issued in Oanland Tuesday to Theodore J Tollner, 24, of Mayfield, and Marion Rose, 18, of Irvington. Mr. Tollner resided in Redwood City for a number of years while his father was connected with Luscher's bakery.

EAST SIDE HIGHWAY DISCUSSED AT MEETING OF DOWN TOWN CLUB

District Attorney Franklin K. Swart Addressed the Club in Emphatic Terms Pointing Out the Need of the Highway and the Need of the Two Counties Co-operating

Several of the business men of Redwood City attended a meeting of the Down Town Club of San Francisco last Thursday for the purpose of discussing the east side highway question with the business men of San Francisco. District Attorney Swart, who has taken a keen interest in the highway from the first inception of the idea, and who is also zealous in safeguarding the interests of this county, was present and made the outstanding speech of the meeting. Mr. Swart said in part as follows:

"This is a San Francisco problem. Our county is not asking for roads primarily to bring out San Francisco's joy riders, picnickers and hot dog customers.

"It is a problem of bringing business to San Francisco from the interior and of making San Francisco, instead of some other city on the coast, the terminal from the east.

"Neither bridge nor road will benefit San Mateo county so much directly. Indirectly, however, growth of business and population in San Francisco means the growth of all parts of San Mateo county. San Francisco must grow and she must grow this way. Oakland is not going to help San Francisco get an outlet any more than she helped San Francisco build an exposition.

"San Mateo county is already paying extremely high taxes to maintain roads for San Francisco's traffic. The cities of San Mateo outside of maintaining their own street systems, are paying 24.4 cents on $100 for special road purposes in San Mateo county. In addition to this the cities are paying 27 cents on $100 on redemption of highway bonds.

"In short, the cities of San Mateo county are paying 51.4 cents for the maintenance of San Mateo county highways in addition to the streets of their own cities. In addition to this sum the territories outside of the cities are paying 5 cents on $10 or a total of $1.014 on $100. These highways are maintained almost entirely for San Francisco traffic.

"Ten years ago there was practically no traffic on these highways. The next ten years will present a problem as great as that of the past ten years. No temporary makeshift will solve the problem. The situation demands an intelligent program looking to the future.

"I suggest forming a joint highway district immediately, consisting of San Francisco and San Mateo counties; that this district be formed to construct a highway in units of importance according to the following order:

"1—Overhead crossing at South San Francisco to San Mateo.

"2—San Mateo to a point connecting with Middlefield road.

"3—Bay shore road from county line to South San Francisco.

"4—Potrero and Army to county line.

"5—Intersecting point with Middlefield rood to Santa Clara county line.

"To procure a right of way 125 feet in width and to grade the highway and pave it with a modern 40-foot pavement will cost approximately as follows:

First unit	$1,000,000
Second unit	1,300,000
Third unit	1,000,000
Fourth unit	750,000
Fifth unit	300,000

"The assessed valuation of San Francisco and San Mateo counties combined is approximately $640,000,000. An assessment of 7 cents per $100 for a period of ten years would raise $4,480,000. As soon as this assessment is made it can be bonded against, without an election, as fast as these units could be constructed.

"When our cities are already maintaining their own street systems and paying 51.4 cents for the county highways outside of their cities and are ready and willing to pay the necessary assessment of 7 cents per $100, and when our outlying districts are already paying $1.014 per $100 for highway purposes and are ready and willing to pay 7 cents per $100 all for the purpose of solving San Francisco's problem, we have a right to expect that San Francisco will likewise pay 7 cents per $100 toward the solution of this problem.

"Giving $250,000,000 to the highway commission will not solve the problem. That will just about pave three or four miles of road.

"If San Francisco people have a plan, let them submit it. We have presented one plan to them which they have turned down because they said there was a bridge attached to it. The bridge has now been detached. Now what have they to say to the plan

"Mr. McLaren says that if San Mateo will not co-operate, San Francisco will build the bridge in spite of us. Let me ask Mr. McLaren wherein we have ever refused to co-operate, and in addition thereto, let me ask Mr. McLaren what his plan is to solve the problem. Let's have a complete program. We have submitted a program. Let's now hear from you and let's not attempt to befog the issue by talking about giving $250,000 to a commission, the president of which commission announces that it has not yet heard of the proposal officially."

ITEMS OF LOCAL INTEREST; TRAVELINGS OF PEOPLE YOU KNOW

Dr. and Mrs. Asa W. Collins have rented a home near Emerald Lake and with their daughter will reside here this summer. Dr.Collins, who is now one of the best known surgeons of San Francisco, began the practice of his profession here Mrs. Collins spent her girlhood here with her parents, Mr. and Mrs. William Hughes, who were pioneers of Redwood City.

Mrs. L. P. Behrens is planning to leave Seattle tomorrow and will arrive home on Tuesday Mrs Behrens has been visiting the family of her daughter, Mrs. Frank Allen, for the past month. During her visit a new grandson made his appearance to greet his grandma.

Mr. and Mrs J. H. Rutherdale have been spending part of the week here as the guests of Mr. and Mrs. A. J. Frohm Mr. Rutherdale has been residing in San Francisco since his marriage, bt the new home in Burlingame which he is building for his bride is almost completed.

Miss Dean Cornwell of the local scrool department spent her vacation last week with friends in Los Angeles.

Miss Dora Wren, domestic arts teacher in Dinuba, Tulare county, high school, was in Redwood City on Monday visiting friends. Miss Wren was a member of the Sequoia faculty until two years ago and made many friends while residing here.

Mrs. G. D. Marvin entetrained her bridge club at a luncheon at her beautiful home on Ashley avenue on Tuesday.

Mr. and Mrs. John Gill spent last week at Dixon visiting Mrs. Gill's parents. Thursday Mr. Gill drove to Sacramento and saw the state legislature in atcion. He will now be able to tell his pupils at Sequoia how laws are made. Mr. and Mrs. Gill returned home Saturday.

Miss Mary Esther Jones of Boulder Creek school department and her two nieces, Phyllis and Blanche McGill, are here for the week visiting Mr. and Mrs. W. H. Kelso.

Miss Delphine Simmons and Miss Kathleen Hahir spent last week as the guests of Mr. and Mrs. Joseph Francis on Sunnyside creek, Pescadero.

Chester Haggett, formerly of San Mateo, but now of San Francisco, and Mrs. James Henderson of Colma are assisting R. H. K Smith in preparing plans and making reservations for the big Peninsula Fair at San Carlos.

Mrs. Sam T. Ferguson left for her home in Long Beach Monday, after having spent two pleasant months here with her sister, Mrs. Lila Kirkpatrick. On Tuesday Mrs. Kirkpatrick went to Oakland to spend two weeks with friends. She will retura to Redwood City for a few days and on the 18th will leave for Portland, where she expects to remain for a year or more. Mrs. Kirkpatrick has leased her beautiful home for a two year period.

The Druids' Circle, No. 100, will give a card party in the Odd Fellows' Hall next Monday evening. Mrs. Grace Rodgers yill be chairman of the committee in charge.

The Ladies' Circle of the Congregational church will hold a food and apron sale this afternoon from 1 to 5 o'clock at the Woodhams & McNeil furniture store on Broadway.

The Ladies' Aid of the Methodist church will hold a food sale on Saturday, April 14, on Main street near Broadway. They will also have on sale aprons and children's clothes which will be on display several days before the sale.

John Patroni, proprietor of Patroni's well known coast side restaurant, was a Redwood City visitor two days this week.

RESULTS OF VARIOUS SCHOOL ELECTIONS IN COUNTY

The school elections held in the different districts of San Mateo county were in most cases quiet. There were, however, a few lively campaigns, particularly in the north end of the county. The results were as follows:

Alpine—A. J. Davis vice Mrs. A. Bordi.

Bell—Hans C. Hansen, re-elected.

Belmont—L. A. Barrett vice G. O. Roussel.

Burlingame—Rufus H. Hatch, re-elected.

Greersburg — Mrs. George D. Squires vice J. J. Kelley.

Halfmoon Bay—M. F. Cunha, re-elected.

Higgins—Mrs. Belle Valentine vice Mrs. George V. Azevedo.

Hillsborough—No returns.

Jefferson—George R. Augustein vice James Callan.

Laguna—No returns.

La Honda—Mrs. Mary Cavalli vice Frank Cavalli.

Las Lomitas—Jos. Feliz vice Selah Chamberlain.

Menlo Park—A. W. Gale, re-elected.

Millbrae—George J. Davis, re-elected.

Miramar—Mrs. Maria Bettencourt vice Joseph Blake.

Montara—No returns.

Pescadero—Frank G. Williamson, re-elected.

Pigeon Point—No returns.

Pilarcitos — John Canadas, re-elected.

Pomponio—A tie vote was cast.

Portola—No returns.

Purissima—No returns.

Ravenswood — E. R. Lam, re-elected.

Redwood Cty—C. M. Doxsee, re-elected.

San Bruno Park—No returns.

San Carlos—F. T. Odgers, re-elected.

San Gregoro—No returns.

San Mateo—W. F. Turnbull, re-elected.

San Pedro—No returns.

Seasde—Clarence T. Roe vice F. Isadorio.

South San Francisco—C. C. Conrad, re-elected.

Sunnyside—Russell Jackson, re-elected.

Tobin—E. H. Danman, re-elected.

Tunis—Thomas B. Pitcher, re-elected.

Visitacion—O. Wanstedt vice D. L. Schast.

High Schools

Halfmoon Bay—F. J. Bernardo, re-elected.

Jefferson — A. Gehringer, re-elected.

Pescadero—Douglas Goulson vice Asa T. Weeks.

San Mateo—Dr. N. D. Morrison, re-elected.

Sequoia—Walter Kellogg vice E H. Greeley.

BEDELL WILL FILED

With be quests to friends and relatives totaling $40,000 the will of the late Mrs. Alice W. Bedell, Redwood City, disposing of an estate of approximately $79,000, has been filed by Atorney Edward F. Fitzpatrick named as executor and made a beneficiary in the sum of $2,500.

The will of Mrs. Bedell, dated three days before her death here on March 28 last, leaves $20,000 to Mrs. Mary R. Essig, San Francisco, a sister; $10,000 to George Ware Williams, Cal., a brother; $1,000 to Mrs. A. A. Graham of Oakland, a friend, and all money on deposit in local banks, said to approximte $18,000, to C. C. Benson, Redwood City, also a friend.

NATIVES TO SWAT THE PILL

Redwood Parlor of Native Sons is to meet the Menlo Parlor of Golden Bears on the local field tomorrow. This is the second game of the Native Son League for the local parlor, they having defeated the San Jose aborigines in a fast game last Sunday. According to those who are good at guessing the Menloites havent' the ghost of a show against the local lads, but "Unkil Ezra" remarks "Yu kant always sometimes tell." Menlo's team met defeat last week at the hands of the artichoke raisers of the coast side. Much of the success of the local team is said to be due to the expert captaining of H. Hexner and the coaching from the sidelines of Wang Lodi.

SUNNYVALE PHYSICIAN TO STUDY IN EUROPE

Dr. and Mrs. George P. Hall, who have resided in Sunnyvale during the last 10 years, left yesterday morning for Europe, where Dr. Hall expects to spend at least six months at some of the large clinics in the medical department of the university at Vienna. Dr. L. R. Thompson of San Francisco will take over the practice of Dr. Hall during his absence.—San Jose Mercury.

Dr Hall is a graduate of Sequoia Union High School and is the son of Geo. W. Hall, district superintendent of the San Mateo school system and a member of the board of education of San Mateo county.

CHAUTAUQUA PROMISES ENTERTAINING PROGRAM

Special Revivals Appreciated

The special revival meetings conducted by the Rev. Clayton L. Peck of the Methodist Episcopal church were fittingly concluded last Sunday by appropriate Easter services. During the weeks of this revival the clergyman was well supported by a large chorus choir led by Mrs. Anna Robb. Solos rendered by many of Redwood City's able singers added greatly to the interest of the meetings.

During the three weeks' services Rev. Peck had a new message each evening. They were messages of hope, joy and inspiration, delivered with enthusiasm and sincerity; messages delivered with the full force of honest conviction, and they left an impression long to be remembered.

On Easter morning thirty-two new members were taken into full fellowship of the church and twelve baptisms were performed. Since conference in November forty members have been added to the church roll.

The church was appropriately decorated for the Easter services with flowers, and in spite of the slight rain in the morning the little building was crowded. Rev. Peck took for his subject "He Has Risen as He Said," and in the evening by his sermon, "Not a Leg to Stand On," he made plain why excuses for not affiliating with some Christian church would not and could not hold good.

Young Woman Answers Call

The sad passing of Mrs. Gladys Mack, wife of J. Dale Mack, ticket clerk at the Southern Pacific station here, came as a sad shock to the many friends of the young couple, although it followed a long illness. The Macks had only lived among us for about seven months, but had made many friends in that short time and the young husband has the sympathy of all who know him. The Macks were married but ten months ago.

The body of the young woman, who was only 19 years old, was shipped by the James Crowe Undertaking Company to the home of the deceased's mother, Mrs. Anita Mills, in Monterey, where the funeral services were held.

AMERICAN RED CROSS

The executive committee of the local chapter of the American Red Cross met at the office of the chairman, Roy W. Cloud, Monday and transacted business of interest to the chapter. A request from the state department that the local chapter surrender its charter and affiliate with the San Mateo chapter was refused, as the members felt that they preferred to continue under present arrangements. The committee decided to make an appeal to the people of Redwood City for a sum of money needed for Red Cross purposes and it is likely that a card party will be planned to raise the amount. In that event everyone in town will be asked to purchase one or more tickets. The membership of Redwood Chapter is 61, which is the smallest number since it norganization in 1898.

GETS BEAUTIFUL LAMP SHADE

The beautiful lamp shade which has been attracting so much attention in the window of Mrs. Werdes's art and floral shop for the last several weeks has at last been awarded. Mrs. Ray Nolan of 135 Stambaugh street was the lucky ticket holder, according to an announcement made last Thursday night at the Sequoia Theater. The lamp shade, which was sold by means of tickets for the benefit of the San Mateo county preventorium for tubercular children, was one of extreme beauty and represented much work and thought. Mrs. Werder deserves much praise for her act of kindness in forwarding so worthy a cause as the preventorium.

Dr. David Starr Jordan, chancellor emeritus of Stanford University, addressed the students of Sequoia Union High School Tuesday and presented the honor pins to the members of the newly formed honor society of Sequoia.

Citizens Organize to Promote Interest in Coming Season

The Chautauqua guarantors met at the chamber of commerce rooms on Tuesday night and organized for the coming Chautauqua campaign by the election of the following officers:

President—C. M. Doxsee.

Vice President—Roy W. Cloud.

Secretary—B. E. Myers.

Treasurer—Frank K. Towne.

Mrs. M. C. Reed, a Chautaqua representative, was present and talked very interestingly of the program to be put o nthis year.

The local committee is considering the gymnasium as the place for holding the meetings, which would eliminate many objectionable features of a tent.

The programs, which show an exceptional line of talent, will be distributed in a few days. There will be six day programs this year, beginning May 2.

The Chautauqua has become a national institution, President Harding speaking of it in the following words:

"The time has long since passed when there could be any doubt of Chautauqua's service to the country; we are far past the era of misunderstanding when this great work could be waved aside with the light word and gesture of tolerant superiority. Its wide appeal and high place in the public confidence have imposed upon Chautauqua an onerous responsibility, . . . and it is meeting that responsibility in a manner worthy of all approval. Chautauqua has served to reveal the individual American community to itself at its best. It has been a voluntary, inspirational service in which men and women have given the best they have in them for the sake of social interest."

President Harding has been himself an interested and influential Chautauqua speaker and his words are therefore the utterances of one who knows whereof he speaks. We accept these stirring lines as a challenge to ourselves and we commend them to you for the vindication and encouragement they contain for your own loyal efforts.

Refreshingly new in the entertainment world is the "Futuristic Musical Program" by the talented Patton brothers. Lively, lolesome, charming, the fast moving, difficult program is presented with consummate skill and artistic effect.

As versatile a group as you have ever heard is the Oceanic Quintet. These vivacious girls bring two programs of unusual variety, characterized by life, dash and real musical brilliance.

Norman Allen Imrie, formerly professor of history at Culver Military Academy, is a lecturer-educator. With a broad vision of world problems, founded on a sound interpretation of history, he brings food for thought and stimulation in his lecture, "Working Together for Billions."

That delightful romance of the Ozark Mountains, "The Shepherd of the Hills," is the play this season. Coached by eKighley and Peffer of New York, a company of professional players will recreate the beloved characters and depict the lne lesson of the tale with dramatic artistry.

Funeral Burglar Goes to Prison

George N. Wagenhauser, the funeral burglar, who burglarized the home of L. Otzen in Redwood Highlands some time ago, and who was captured in San Francisco, was sentenced by Judge Michael J. Roach in the San Francisco superior court last Saturday to an indeterminate sentence of from one to five years in San Quentin.

COLMA PLEASED OVER THE SCHOOL ELECTION

There was rejoicing in Colma on Friday evening when word was sent out that the Union Park site had won and the Jefferson High School will be erected in Colma. There are 20 acres of level land in Union Park and there will be sufficient space for a large athletic field and a botanical garden. A beautiful building will soon be erected on the site. The vote was 741 for the Union Parn site and 727 for the Crocker site.

Rev. C. H. Stevens of Lodi was in Redwood City last Monday, he having come to say a few words over the remains of his friend, Mrs. Alice Bedell.

SATURDAY, APRIL 7, 1923

THE FIFTH MEMBER

We are still of the opinion that a fifth member of the board of town trustees should be appointed. Personally we haven't anything to gain by urging the appointment of the fifth member. So far as we know there has been no deadlock on the board, but there might come such an emergency at any time. Editorially we have no fight with any member of the city council. The individual members have as much right to their opinions as we have to ours. There are, however, a number of good men in Redwood City who would be willing to serve the community as a councilman. We believe that an appointment of some good man, of some portion of the city that is not now represented on the board, would be a good move.

At any rate that is our opinion.

FAITHFUL SERVICE

Many times a public servant gives his services and receives his salary and people wonder what he does that he should be kept on the public pay roll. It is the duty of those who know to let it be understood why such a man is employed and what he does. There is such a man employed by San Mateo county. His name is Donald MacKenzie. Every day of the year you can find him at his bench in the basement of the court house. He is the county carpenter and repair man. He doesn't get the wage of a carpenter, but he does the work of two ordinary tradesmen. There isn't a year that he doesn't save the county three to four times the amount that he is paid. There is not an article of furniture that is wanted by a county official that he doesn't have ready in record time. If it is necessary to put a new door through the walls of the building, it isn't necessary to send for a mechanic from San Francisco, Donald MacKenzie does the work and it is done in such a manner that it looks as though it was built with the building. If the county farm, the detention home, the clinic, or any department needs anything, Donald MacKenzie does it and that ends the mattter. We believe in giving publicity to faithful service.

THE SCHOOL ELECTION

The people of this community registered their desires at the school election last Friday in no uncertain terms. It is a long time since any candidate for a school position in this district received the vote that was given to Mr. C. M. Doxsee who was elected grammar school trustee. It is fitting that Mr. Doxsee should have been given this expression of esteem.

In the high school election, Mr. Walter Kellogg received a good vote. Mr. Kellogg, in offering his services on the school board, is setting a fine example in this community. He is a busy man, but he has signfied that he is not so busy but that he is willing to give some of his time to the public schools. There is no salary or remuneration of any kind attached to this position and the thanks that comes is usually a complaint because this thing or that is not done according to somebody's opinion as to how it should be done. As superintendent of this community's largest public service corporation, Mr. Kellogg is in a position to know what the desires of his constituents are, and can make them known on the board.

Mr. Edward Greeley, the retiring member of the board can be proud of the vote of confidence and esteem that was given him. Mr. Greeley was a faithful member of the board and he can give up his office with the knowledg that at all times he gave a good account of his stewardship.

CAPITAL PUNISHMENT

We had thought that we were opposed to capital punishment, but after reading the papers dilligently every day, we are not so sure that we are against that form of penalty. For instance, over in Oakland this week a man who had worked for thirty years in Alaska and had saved $6,000 so that he might rest and enjoy himself in his old age, was bunkoed out of the whole amount by two slick fellows who will blow the $6000 in in a few weeks on same "Jane" that they have or will have picked up, now that they have some ready money. We really feel that any man, who would knowingly rob an old fellow of all of his life's earnings, is justly entitled to the maximum penalty of the law. Maybe hanging is too easy for such a fellow, perhaps he should be forced to work for the rest of his life at the hardest of labor, with the knowledge that he cannot receive exeeutive clemency or pardon.
ceive executive clemency or pardon.

THE HOME TOWN PAPERS

There is no force or influence at work within the community more potent or influential for the prosperity and general welfare of the town than that of the home town paper. it has well been called "the pulse of the community." If the home town paper prospers, it follows that the business of the town must prosper in like degree, and what your paper will be is entirely dependant upon the support which you give it. Redwood City is entering into an era of unsurpassed prosperity, new enterprises are opening up on every side, old methods are being superseded by improved ones, and it is safe to say that the changes to take place within the next few years will be far beyond our fondest hopes. The papers of this town are proud to have a part in this prosperity, for which they have worked consistently since the early days of the county. As they served the people in the past when the community organizations had their beginnings, and have served and worked for the prosperity which is now under way, they will also serve the wants of the community in the future. They only ask your suport.

From Other Parts of the County

Has New Postiion

D. L. Schaaf, superintendent of the Visitacion station of the Pacific Gas and Electric Company for the past six years, has resigned his position and has been appointed superintendent of buildings and grounds at Mills College. Mr. Schaaf is a graduate of the engineering department of Stanford University. He has taken a keen interest in the affairs of the north end of the county and was clerk of the board of school trustees for four years.

The Daly City Murder

In a letter to the police commission of San Francisco the Southern Pacific Company has announced that $2,500 rewards will be proportioned to police officers responsible for the arrest and conviction of Claud Merritt, Ed Condon alias "Cocky" Green, Fred Merman, J. J. Cornelison and Steve Apostolos for the murder of Carl Ersepke, Southern Pacific employe, September 27, 1922. Appreciation was expressed for Duncan Matheson, captain of detectives, for his co-operation in rounding up the gangsters outside of the city of San Francisco. The men were tried in Redwood City.

Appreciation of the clever work of District Attorney Swart in securing the convictions should be mentioned by the Southern Pacific.

Burlingame Is Building Homes

During the last ten days building permits totaling $80,000 have been issued by Building Inspector Lindsay. According to the figures it will be seen that there is a continuance of the bulding activities in Burlingame. Most of the permits are for bungalows of five or six rooms with garages, and will be erected in different parts of Burlingame. With the building keeping up as it has during the first three months of the year there will be more homes go up than there were during 1922.—Burlingame Advance.

New City Board at San Mateo

In one of the hottest political battles ever staged in San Mateo the entire old administration was defeated Tuesday. A new city council will administer the charter form of government recently adopted.

The advocates of the charter government lined up behind a ticket composed of Frederick J. Smith, W. J. Eva, a former trustee; J. J Sharon, J. R. Fairbanks and J. E. Casey, and put over this ticket by a good majority. Electioneering was carried on by partisans of both sides and colored banners on numerous automobiles designated the choice of the campaigners. The total vote for each candidate was as follows:

New Charter Ticket—Frederick J. Smith, 1,378; W. J. Eva, 1,139; J. J. Sharon, 1,21; J. R. Fairbanks, 1,195; J. E. Casey, 1,202.

Old Administration Ticket—T. J. Brady, 701; Mrs. Elsa McGinn, 688; B. J. Boue, 424; J. F. Turner, 404; R. Caldwell, 470.

E. W. Foster was re-elected city clerk without opposition. Charles Ginnever with a vote of 988 defeated James A. Lee, incumbent, with a vote of 774 for city treasurer.

GETS SEVERE SENTENCE ON GIRL'S CHARGES

Clark Morton, the soda dispenser who has been held for the last few weeks in the local jail on charges made by a San Carlos girl, was sentenced to San Quentin for a period of one to fifty years by Judge Buck this week, following his having plead guilty to the charges preferred against him. Morton asked for probation, but was denied by the court on the grounds of a bad past record. It appears that Morton deserted a young wife in Portland, Ore., just previous to the birth of their infant child. The convicted man was taken to San Quentin by Sheriff Lampkin last Monday.

the persons entering it are failures. if the persons entering it are failres.

NEWSY NOTES FROM THE PROGRESSIVE COMMUNITY OF SAN GARLOS

M. J Minkler of this place was to have left for Edgewood, Iowa, within a few days to be present at the golden wedding anniversary of his father and mother at their old home April 13. But owing to the death of a daugther-in-law the celebration of this unique event has been postponed until some time in the month of June. This happy event is very rare, in the fact that Mr. and Mrs. Minkler were blessed with a large family of eight children, all of whom are still living and with their families expect to be present with their aged parents and do them honor around the old hearthstone upon this great occasion of their lives. Mr. Minkler was born in Ohio and came to the middle west and located in Iowa when a young man and has made his home there since, while Mrs. Minkler was born in Edgewood, Iowa, where they still live. The eight children, five boys and three girls, are located in various places between New York and San Francisco but all of them expect to foregather at the old homestead next June for the family reunion.

Mrs. J. W. Davis and Miss Mary Elizabeth, after extending their visit over Easter, returned from Vallejo last Monday.

Mrs. E. J. Winton of Yuba City is visiting at the home of her sister, Mrs. Rupert C. Johnson, on Elm street.

Miss E. W. Nutting of Dayton, O., is the guest of Mrs. N. T. Smith on Cypress avenue.

Mrs. Theo. Beck, Jr., and her little daughter, of San Francisco, were Easter visitors at the home of Mr. and Mrs. Theo. Beck, Sr., on Myrtle avenue.

Don't forget to come to the volunteer fire department dance tonight to enjoy the good music and have a big time.

the BEST OIL *made is refined from* WESTERN CRUDE

The motorist who pays fancy prices for oil, often pays for something he does not get.

Zerolene costs *less* because it is produced in California from selected California naphthenic crude, which, of all the crudes so far discovered, yields the most efficient lubricating oils.

Zerolene lubricates better. It forms from 25% to 50% less carbon. It has greater adhesiveness and penetration than oils made from any other crude.

Cleaning Without Odor by the F. Thomas *Process*

Our many years of experience has taught us that it is impossible to do perfect cleaning with cheap, inferior methods. That is why we found it necessary to invest nearly $500,000 in the equipment of a plant and the establishment of an expert organization to do the quality of work demanded by our customers.

With the "F. Thomas Process" we not only remove every particle of dust but we return your garments without that usual disagreeable smell of gasoline. Every drop of gasoline we use in cleaning is redistilled and very highly refined.

Raw gasoline—the kind that you buy for your automobile—is full of heavy oils and unfit for cleaning fabrics. It is little better than ordinary distillate and leaves a sickening "gasoline" smell in your clothes

Supervisors In Session Monday

Attorney A. H. Redington of Burlingame appeared before the board of supervisors at their regular meeting last Monday and presented a resolution for the consideration of the board in regard to two senate bills now before the legislature at Sacramento. The bills referred to by Redington were senate bill 447, which would form a commission composed of San Franciscans and San Mateans to have an indefinite amount of work done in San Mateo county for marsh and tide land reclamation. This commission would have power to form assessment districts and spend an unlimited sum of money. The commission would consist of three members from San Francisco and two members from this county and would be appointed by a board formed by the mayor and supervisors of San Francisco and by three supervisors of this county and two representatives of each of the seven municipalities of the county, thus giving San Francisco a majority of the appointing body as well as in the commission itself. Mr. Redington also pointed out that no one knew how much work was to be done nor how much money was to be expended, some estimates running as high as $150,000,000. The other bill referred to by Attorney Redington was senate bill 658, which would provide for a commission consisting of the county surveyor of this county, the city engineer of San Francisco and the president of the state board of harbor commissioners, to investigate the harbor requirements and to prepare surveys, estimates, etc., and report back at the next meeting of the legislature. The resolution presented by Redington, which was unanimously passed by the board, opposed the first of these bills and favored the second with some changes.

Frank Towne of the Redwood City Chamber of Commerce also appeared before the board in the same matter in which Redington appeared and said that the chamber of commerce had passed a resolution similar to the one that was before the board and that the San Carlos organization had done the same.

The resolution passed by the board read as follows:

"Resolved by the Board of Supervisors of San Mateo county that this board declare itself as utterly opposed to senate bill 447, and to the underlying principle back of said bill; that this board feels that a survey of conditions and an estimate of probable cost of the proposed character of development work should be formulated before the creation of any such contemplated district. Therefore, be it further resolved, that this board endorses senate bill 658, provided that it be amended so that the survey will comprise all territory fronting on the bay shores of San Mateo county, and providing further that the appropriation of $50,000 referred to in said act be eliminated and that this board recommends that the expenses of said survey, not exceeding $20,000, shall be assumed ratably by San Francisco and San Mateo counties on the basis of assessed valuation of each."

After passing this resolution the board received the reports of the tax collector, recorder, county clerk, sheriff, horticultural commissioner, county veterinarian, county farm and hospital and the social service commission. Some recommendations offered by the social service commission were approved.

Court Reporter Mingins appeared personally before the board and requested the installation of a telephone in the room used by him and known on the plan of the court house as the witness room. Mingins made a similar request at a previous meeting through the purchasing agent. The matter was laid over until an order from the judge could be secured by the court reporter, saying that a telephone in that room was deemed necessary.

The contract for the outfall sewer of the county hospital was let to F. E. Clinch of Oakland, he being the lowest bidder, according to the report of Assistant County Surveyor Klassen.

Supervisor Brown asked and was granted authority to rebuild a bridge on Finkler creek. The work is to be done by day work without bids, as it was estimated to be less than $200.

On motion of John MacBain, Thos. Curran was appointed inspector of work now in progress on the coast road from Pescadero to Santa Cruz. An application of Jos. Feliz for the same position was received and filed.

Two communications were received from the San Mateo County Federation of Womens' Clubs, one thanking the board for allowing the ladies to visit the new county hospital, the other calling attention to a stagnant pool on the property of the Market Street Railroad Company at Leipzig station near Visitacion. The latter matter was referred to the county health officer.

A communication was received from John Lyle Harrington accepting the franchise granted to him by the board at the last meeting to build a bridge across the bay at Dumbarton Point. A notice from the United States war department was also received setting April 20 as the date for the hearing of Harrington in regard to an application for a permit to build such a bridge now being considered by the war department.

A representative of the Peninsula Oil Burner Company was present and requested the board to instruct him as to the location desired for the hot water storage tank at the new county hospital. The matter was referred to Supervisor MacBain.

District Attorney Swart drew up an order which was passed by the board ordering the trustees of the city of Burlingame to remove the southeast gate of the city from the highway within ten days At the end of that time if the gate is still standing it will be removed by the county engineer, the exepnses to be paid by the city of Burlingame.

Swart presented the returns of the bond election of the Redwood City grammar school district and presented a resolution that the bonds be executed. This resolution was unanimously passed by the board.

The matter of the purchase of school supplies, which had been referred to the district attorney for an opinion, was reported on by him at this time. According to Swart there is no law at the present time to compel the trustees of any school district to purchase their spplies through the county purchasing agent.

On motion of Supervisor Brown the board unanimously vindicated former Traffic Officer Dalziel of the charges placed against him by Mark Ryan, following Ryan's arrest for speeding some time ago. The officer was vindicated on all the charges for lack of evidence.

In the Churches Sunday, April 8

ST. PETER'S CHURCH

Washington and Webster. Edward H. Molony, rector.

CONGREGATIONAL CHURCH

Rev. M. J. Minkler, an army chaplain in the United States army during the late war, will occupy the pulpit at the Congregational church Sunday morning and evening. Many will recall having heard Mr. Minkler preach in the old church when he was chaplain and will remember him as a forceful and interesting speaker. Good music with Miss Clarissa Dodge at the organ.

METHODIST EPISCOPAL CHURCH

Rev. Clayton L. Peck, paston

Sunday morning at 9:45 the Sunday school hour, and with new teachers we are prepared to take care of children of all ages. At 11 a. m. the pastor will preach. Subject, "Lack of a Personal Knowledge of Jesus." At 7:30 p. m. the pastor will discuss a mooted question, "What is the Matter with the World."

Epworth League at 6:30 p. m. Leader, Miss Adelina Hall.

Everybody welcome to all services.

WOODSIDE CHIRPS

This Easter season has been a thankful one for the farmer, for our four days of rain have wrought a complete change in the agricultural outlook. Grain fields that seemed about gone have been so revived that, in this vicinity at least, a full crop is now looked for. The pasturage is showing a new life and the benefit to other crops is incalculable. Best of all, the rain has been so warm and gentle that little damage to the fruit blossoms is expected.

The Easter services at the church were a great success. The Sunday school children, under the direction of Miss May Huddart, the superintendent, presented a very interesting program, the church was crowded to the doors and the Easetr collection exceeded $100—all of which evidences success.

We are sorry to learn of the serious illness of Mrs. Ritchie, mother of Mrs. William Welch. Her many friends in Woodside wish her a safe and speedly recovery.

Samuel P. Pond and family spent the Easter holidays at their home here.

James Wilkie has moved into the house formerly occupied by the Raymonds and the house he left was reoccupied the day of his departure from it.

Fred Mihall has leased the cottage he has just completed on the highway, just opposite his own residence.

Mrs. Thomas Stewart is to depart shortly for a three months' visit to her old home in Scotland.

Charles T. Bradley is watching the weather reports to determine how soon he may return to his summer resort on Lake Tahoe.

Maurice Koop has paid us several visits lately in his new coupe. He is renovating the old house for his summer occupancy.

ICE keeps baby well—

Child specialists are positive in their statements regarding children's diet. Give the children pure food. The slightest contamination may have serious consequences.

Keep your food stuffs in a well-iced refrigerator, protected from dust and germs—where the cold, even temperature prevents bacterial growth.

A few cents worth of ice will prevent much illness common to children. Use plenty of ice the year around.

Woman Hurt in Auto Accident

Mrs. Dora Schenkel, 45, of Redwood Cty, was seriously inured Monday, and her husband, Julius, suffered severe cuts when their automobile skidded on the wet pavement at Third and Army streets, San Francisco, and collided with a Market Street railway car, turning completely over. Both were taken to the Potrero Emergency Hospital, where it was said that Mrs. Schenkel's skull probably was fractured. She was later removed to St. Joseph's Hospital. William Hutchings was the motorman of the street car.

Eight-room dwelling in Redwood Highlands with large lot, garage and fruit trees, $6,000. 5-room new bungalow, $5,250, terms. Four-room dwelling adjoining Redwood $1,500. New 5-room stucco bungalow with a half acre of land one mile from the Redwood station, $5,000, terms. A 3-room dwelling with 4 lots adjoining Redwood, $900. A. D. Walsh, 90 Broadway.—Advt.

When enthusiasm runs away with judgment the grafter runs away with the pocketbook.

NOTICE to TAXPAYERS OF THE TOWN OF REDWOOD CITY For the Year 1923

All Taxpayers are required by law to annually make and deliver to the Assessor a statment, under oath, setting forth, specifically all the real and personal property owned by such person, or in his possession, or under his control, at 12 o'clock meridian, on the

First Monday in March

Accordingly, you are requested to fill ot the assessment blank in question and deliver the same at the office of the Assessor immediately making oaths thereto.

The property of all persons who refuse or neglect to furnish such statement will be arbitrarily assessed; and such assessment will not be subject to equalization. Refusal to furnish the statement above required will subject the person so refusing to a fine of $100.

Any information relating to the assessments will be furnished upon application to the Town Hall.

W. A. PRICE,
Assessor, Town of Redwood City.

Trustee.
E. K. TAYLOR, Attorney for Bank of Alameda, 1404 Park Street, Alameda, Cal.
First publication in Times-Gazette March 31, 1923. 4t.

NEWS OF MENLO PARK

Mr. and Mrs. Carl Rosenfield entertained 20 friends at an elaborate dinner on Easter Sunday at their home on San Cruz avenue, the Menlo Peony Gardens. The table was beautifully decorated with St. Joseph's lilies, tulips, lilacs and Easter baskets. April fool jokes added greatly to the merriment. Some of the delicious rolls were stuffed with cotton. The guests enjoyed games and dancing until midnight and departed reluctantly, having had a most enjoyable evening. Among the guests present were L. T. Tegtmyer, San Francisco; P. J. Yerex, Oakland; and Mrs. George Loone, Mr. and Mrs. William Loone, Mr. and Mrs. Frank Borgas, San Mateo; T. Carlson, Burlingame; Mr. and Mrs. W. A. Doyle, Mr. and Mrs. Harry Lewis, Mr. and Mrs. Frank Derry, Menlo Park.

Mrs. John F. Merrill of Menlo Park, widely known and greatly loved Christian leader, has been appointed a member of the national women's committee. Mrs. Merrill has not merely assented to the use of her name, but takes a heartfelt interest in the welfare of orphan children.

At the election of fire commissioner on Monday the incumbent, Charles Merrill, was re-elected by a unanimous vote. There were 53 ballots cast and Mr. Merrill received them all. Quite complimentary, quite complimentary.

J. H. Sullivan has sold 12 acres of his ranch at Ravenswood to Mr. Mello, who is to enage in truck gardening.

Senator S. M. Shortridge left last Saturday on a fishing trip with John D. Spreckels on the latter's famous yacht to Southern California, to be gone for ten days. Mr. Shortridge is an expert angler, having whipped the streams of Santa Clara county as boy for trout. His friends predict a successful catch on the present trip.

A month ago ground was broken for the $20,000 shmmer home for little children under the direction of Archbishop E. J. Hanna northwest of Santa Cruz avenue. The land was found to be low and extremely wet during the winter months and not desirable for the purpose for which it was intended. So a new and higher site was decided upon by the archbishop. This week the property of Matthew Kennedy and E. J. Crane in Stanford Park was purchased and soon work will be started on the structure. The site is not far from the Stanford home for invalid children maintained by the wealthy people of Menlo Park. Mrs. B. M. Breeden, a former resident of this place, is an official of the society and it was mainly through her efforts that the home was located in Menlo Park. During the coming summer about 25 children will be accommodated.

The season's first consignment of strawberries, picked between showers on a ranch near Menlo Park, arrived in the San Francisco market yesterday and was regarded as a freak shipment on account of the early date for this delicacy. The unusually warm March weather ripened the berries prematurely and it was necessary to pick them before rain spoiled them. The best stock of the shipment of 21 full chests sold for as high as $1.75 a drawer.

Another Menlo Park family that will leave soon for Europe is that of Mr. and Mrs. George Roos, whose two children, John and Patrcia, are to attend school in Switzerland. The Roos home in Menlo Park has been leased to Mr. and Mrs. Warren Spieker.

M. J. Loughlin, the assitant station agent, is erecting a modern bungalow on his prperty on Crane avenue. He expects to have it ready for occupancy by June.

P. P. Eyre and Mrs. Eyre are occupying Dr. Clunies' home at Atherton. Their own domicile is leased to Julien Hart, who will hold it until next June, when the Eyres will move into it.

Jupiter Pluvius has been very generous with his gifts this week, having permitted 1.5 inches of rain to fall on the parched vegetation. The downpour was sorely needed. Abundant harvests are now assured, hence the jubilation of the farmer and orcharist.

Mr. and Mrs. E. L. Eyre will occupy their home at Atherton about the middle of the month. Mrs. Eyre is a splendid church worker and her coming is hailed with delight by all.

Mr. and Mrs. E. S. Heller are expected to open their attractive home Atherton very soon. It is being remodeled for them.

During the week Mrs. Eva Dunnell of San Jose purchased the stock and fixtures in the Edward Bennett candy store at an administrator's sale. She has leased the building and will open an up-to-date confectionery store.

Herbert Fleishhacker, the capitalist and philanthropist, will occupy his home at Atherton next week.

Mrs. Margaret Malwitz, clerk in the Little Green Door, during the week received the sad itnelligence of the death of her brother, Eddie Mozart, at Marinette, Wis. The young man, who was 20 years old, passed away on March 7. He was an overseas veteran of the world war.

Mrs. Frederick McNear has sent invitations from Paris to some of her California friends for a luncheon to be given at the McNear home on July 10 at Menlo Park. Mr. and Mrs. McNear are now in Rome and will start for home the first of the summer. They have been abroad for several months and after a long stay in Paris went to Rome and joined McNear's sister, Mrs. Powers Hutchings, at the Grand Hotel.

Clarence Henchel, son of Mrs. Slinger, proprietoress of the Fremont Taxi Service suffered a painful accident last Sunday while cleaning a pistol which was loaded. The gun was accidentally fired and shot the young man through the hand.

REDWOOD CITY NOTES

Mr. and Mrs. W. G. Reynolds who have been making ther home on King street are leaving this week for their old home in Washington. They expect to return next year. The Reynolds are the parents of Mrs. Eric Thompson.

Mr. and Mrs. Omar Doyle returned yesterday from a two weeks' motor trip to Los Angeles. They report having a fine trip but met with some rain on the return trip.

Thos. Curran left yesterday to take up his duties as inspector of the new road from Pescadero to Pigeon Point.

C. C. Benson has been confined to his bed during the last week from heart trouble.

Walter Genochio who has been confined to the hospital for the past week following an operation on his leg is expected home today.

A. C. Argo was out of school yesterday being confined to his home by a severe cold.

A NEW DRUG STORE

A new drug store will be opened soon on Broadway, Redwood City. The new store is to be operated under the name of the Lock Drug Company. Mr. Lock comes from San Jose, being at present located on Coe street.

If mud will make all complexions beautiful, like the magazine ads say, then why are there so many muddy complexions?

RUNNYMEDE NEWS OF LOCAL AND GENERAL INTEREST TO MANY

There was a good attendance at the Woman's Club meeting Wednesday afternoon and several matters of importnce were taken up in the business session. It was announced that an illustrated lecture on the Passion Play at Oberammergau would be given on the second Saturday of this month, April 14. Tickets are on sale at 25 cents for adults and 10 cents for children under 13. The proceeds will go toward audtorum furniture. It was voted to have a homecoming week the first meeting in June and invitations are to be sent to all members wherever located. Resolutions of sympathy occasioned by the death of Mrs. Nichols are to be written by a committee consisting of Mesdames Strawn, Merwin and Lam and a copy to be sent to the daughter and one spread on the minutes of the club.

Twelve dozen spoons were ordered bought and reports of interest were given by all special committee chairmen. After the business session the following program was enjoyed:

Duet by Mesdames Simpton and Lown of Redwood City, accompanied by Warren Watters of Palo Alto.

Violin solo by Arthur Stransky.

Paper on "California the Playground of the World", by Mrs. J. D. Hinkle.

Solo, Emily Gravestock.

After the program P. Evans, an ex-service man, was given an opportunity to talk and display samples of dress goods.

The hostesses for the next meeting will be Mesdames J. D. Hinkle, S. W. Hull, S. J. Israel, C. S. Harlan and F. C. Herbig.

The Ravenswood Chamber of Commerce met Monday night and elected directors for the ensuing year. The new board members are as follows: R. R. Waterbury, J. H. Stubbe, W. A. Romes, E. R. Lam, E. R. Tait, C. W. Converse, S. J. Israel, M. F. Gallagher, F. W. Workman and P. H. Talley.

Personals

Mrs. P. Nutt and children, of San Francisco spent the week with Mrs. James Cairns.

Capt. and Mrs. John Gustafson and two daughters, of San Francisco, were visitors Easter week with Mr. and Mrs. C. B. Eastberg.

Mr. and Mrs. Elmer Bartlett have charge of the dancing club dancing party in the auditorum Saturday. Good music promised.

Mrs. L. O. Portwood, who has been spending the past month at the F. C. Nickerson home, left Tuesday evening for Los Angeles.

W. H. Parkin has sold his bungalow recently built on Donohoe street, with one acre of his land, to San Francisco people and is planning to build on another acre.

Mabel Crosby passed the Easter vacation with her parents, coming home from San Benito county where she is teaching.

Mrs. Roy Partridge and her baby daughter were home for a few days the past week with her parents, Mr. and Mrs. A. C. Matteson.

A. O. Anderson and H. Schilder are driving new automobiles.

Mrs. A. E. Hansen is on the sick list.

Mr. and Mrs. Opperman of Los Gatos and Miss Hellan Muck of San Francisco visited last week at the John Burger home.

Judge M. E. Sanborn of San Francisco, father of Mrs. P. H. Talweek last week.

Mr. and Mrs. Gus Hand entertained at luncheon and Mr. and Mrs. Frank Hand at dinner Sunday for Spencer Coombs of Vancouver, B C., and F. Stider of Sacramento, both old friends of the Hand family.

Frank Hutchinson of San Francisco spent Sunday with his family on Olive street.

Mr. and Mrs. Len Follett and family were Ben Lomond visitors with relatives over Sunday.

Mr. and Mrs. Elmer Bartlett were San Francisco visitors Monday.

Charles Wolverton returned Monday evening from a ten days' stay in Southern California.

Mr. and Mrs. Cuthbertson of Oakland were visitors Sunday with the latter's sister, Mrs. C. H. Strawn. Miss Martha Cuthbertson, who spent the week with her uncle and aunt, returned home with her parents.

Mr. and Mrs. Merkel and family have come here from Glenn county and rented the Monroe place on Donohoe street.

Mr. and Mrs. Dezso were Sunday visitors in San Francisco.

Zula Follett is home from San Jose for the Easter week vacation.

Mrs. C. A. York of San Francisco, an aunt of F. C. Nickerson, visited at their home Sunday and also on her brother, C. A. Nickerson, who is seriously ill at his home in Palo Alto.

Mr. and Mrs. H. S. Clark and family have moved from Palo Alto to the Laura Walla place on Weeks street.

Mrs. W. S. Wardlaw and children were week end visitors in Salinas with a brother-in-law and family.

Mr. and Mrs. W. A. McElhattan were week end visitors in San Jose with relatives.

Mr. and Mrs. Lee Harper have moved to the E. R. Lam place on Cooley avenue.

Mrs. E. Shepherd and children have been passing the week with relatives in Turlock.

Jennie Nielsen, a sister of Mrs. A. E. Hansen, is here from Los Angeles for a visit with them.

Mr. and Mrs. Lloyd Martinelli of San Francisco and Mr. and Mrs. Walter Moore and family of Redwood Highlands visited at the A. E. Martinelli home Sunday.

Arnold Hansen, little son of Mr and Mrs. A. E. Hansen, is recovering from burns received in falling against a hot oil stove.

SEQUOIA SCHOLARSHIP SOCIETY

By Bessie Payne

Last Tuesday a splendid assembly was held at the Sequoia Union High School under the auspices of the scholarship society, which, although but lately organized, has already begun to show its ability and the program presented reflected credit upon its leaders and members. Talks were made emphasizing the value and purpose of such an organization. The student body was greatly honored by having as the main speaker Dr. David Starr Jordan of Stanford University, widely known and admired in every part of the world. Dr. Jordan spoke interestingly on Japan and the customs of its people. The members were especially honored by having Dr. Jordan present to them their scholarship pins.

Irene Crosby, Joe Weeden and John Shortridge made short talks dealing with their views of scholarship in connection with outside activities. B. E. Myers opened the assembly with a short address pertaining to the necessity of gray matter in gaining success throughout life. Miss Catherine Boyle extended her congratulations to the students of the new society and hoped the society would increase its membership in the next quarter. Ten points are necessary for admittance into the scholarship society, seven in curricular subjects and three points in outside activities.

This unique assembly is not to be the last one managed by the scholarship society, but served only to begin the campaign for better scholarship in Sequoia. Students are being aroused to the necessity of more study, because that is the purpose of the school, to teach so that the students may take a good place in life. Parents and relatives should especially encourage the efforts of the society, for it is formed for the benefit of their boys and girls.

NEW STAGE COACH

The Redwood City-La Honda stage line is operating a new bus that far excells any so far placed on the La Honda run. The new buss is large and comfortable, its shining red sides are visable far up the timbered grade. R. Woodhams is to be congratulated on his enterprise in serving his customers with all the comforts of a railroad coach. Rip Van Winkel, who went to sleep when Knight's old thoroughbrace stage used to make the mountain run, says "Times do change."
